President's Message

Richland Neighborhood Association
Richland Park and Richland Oaks Community

DEAR NEIGHBORS,

I am so thrilled that FALL has arrived, even though Summer has been sneaking in a last blast of hot weather. I love seeing more people out walking with kids and dogs enjoying the wonderful weather. With the cooler temperatures there are many outside activities being planned by the city and your neighborhood Association. National Night Out is scheduled for Tuesday, October 1. Come down to the park and meet our incredible police and firefighters and thank them for their service. There will be a food truck and music which will make for a fun evening. Bring your lawn chairs or blanket and join us.

Our spring festival was rained out this year, so we have rescheduled it for Saturday, October 12. There will be rides, a petting zoo, food truck, Tongue and Cheek Ice Cream truck, and much more. This event is free to all members of the 2024 Richland Neighborhood Association. If you are not a member you are welcome to attend the festival for a fee of \$5.00 per person.

On Tuesday, November 12, join us for our yearly RNA general meeting, at Richland Elementary at 6:30 for meet and greet and 7:00 for our yearly meeting. Don Magner, city manager, will be there to give updates on the many wonderful things happening in the city, including the new city hall. He will also answer questions and concerns from the neighborhood. Meet some of our city council members along with the new principal of Richland Elementary, Bill Gattus. Bill will provide you with many volunteer opportunities to help support our neighborhood school.

We would love to see more people get involved with the association. We welcome more ideas and events to make this an even more incredible neighborhood. Contact me at: president@richlandhoa.com or look for me at any of our events.

SLOW DOWN

Remember school is back in session so please drive slow in the morning and afternoon when children are walking to and from school. Be especially careful when exiting the alley, children do not always look before they walk across the end of the alley. No child's life is worth the couple of seconds you gain by going over the speed limit.

Crime Watch Report

Richland Neighborhood Association
Richland Park and Richland Oaks Community

HI NEIGHBORS,

NATIONAL NIGHT OUT

COME ONE, COME ALL!

- Tuesday, October 1, 2024
 - 5:00 pm – 8:00 pm: Come and Go
 - Richland Park: near the pavilion, between the playground and tennis courts on Lois Lane
 - TJ's Dawg House Food Truck
 - Bring Canned Food Donations for Network
 - Wear BLUE shirts, jackets, caps, scarves...
 - DJ providing entertainment.
- Bring your lawn chairs, buy a hot dog, and visit with your neighbors. The Richland Neighborhood Association (RNA) will provide bottled water.

The Richardson Police Department is asking residents to bring canned food donations to NNO parties for the food pantry at Network of Community Ministries (only non-expired food). RPD's annual "Can Do Food Drive."

The color theme is BLUE – Police BLUE. Come see our BLUE decorations. Join in pictures showing our neighborhood spirit and support of RPD.

We are expecting some RPD officers and local officials to visit, and maybe a surprise guest or two.

NNO is a community building campaign, designed to: (1) Heighten crime prevention awareness; (2) Generate support for, and participation in, local anti-crime programs; (3) Strengthen neighborhood spirit and police-community partnerships; and (4) Send a message to criminals letting them know that neighborhoods are organized and fighting back.

Crime in Richardson is low, mostly occurring at apartments and businesses. We did have a rash of car burglaries in late August. **LOCK YOUR CARS** and do not leave anything in them.

As a "Watchful Neighbor" we can keep it down. Be sure to **CLOSE YOUR GARAGE DOOR** if you are not working in your garage and monitor who might enter your garage.

From May through August, we had six incidents in our neighborhood plus three below with * that do not appear as recorded incidents.

- 06/20/24 – 600 Blk Sheffield: Mail Theft

- 06/21/24* – River Oaks and Tall Oaks: Attempted Burglary of Vehicles (teens started in apartments and tried to continue in Oaks)
- 06/25/24* – 600 Blk Sheffield: Porch Pirates
- 08/18/24 – 400 Blk Tall Oaks: Burglary of Habitation
- 08/22/24 – 400 Blk Country Side: Burglary from a Motor Vehicle
- 08/22/24 – 400 Blk Tiffany Trail: Burglary from a Motor Vehicle
- 08/23/24 – 600 Park Bend Drive: Burglary from a Motor Vehicle
- 08/23/24 – 400 Blk Tiffany Trail: Aggravated Assault with a Deadly Weapon

Our Richardson Police Department (RPD) cautions us to be watchful neighbors. If you see something unusual Call 911. Don't try and scare the perpetrators away. The RPD would like to catch them in the act!

CRIME WATCH VOLUNTEERS NEEDED

The Richland Park/Oaks Crime Watch needs more volunteers to help patrol our neighborhood. In order to join the Crime Watch Patrol, you will need to fill out an application form. A link to the application and additional information can be found on the City Website, cor.net. Each shift usually consists of 1 ½ hours of patrol time every other week. Crime Watch Patrols are effective because our cars, with reflective signs, provide visibility and the criminals do not want to get caught.

Stay safe, be a watchful neighbor,
Carol Levy
CrimeWatchCoord.for.RNA@gmail.com

BLOCK CAPTAINS

We need more block captains. We would like to have two block captains per block; this would mean each block captain would only have to contact 10-15 neighbors.

The responsibility of a block captain is to meet your neighbors and encourage them to join the RNA. Our numbers are down this year and to complete all the projects we would like to complete, we need more members to be able to do it.

Meeting and getting to know your neighbors help make a safer neighborhood. Another responsibility is to take a welcome bag to new neighbors on your block. The welcome bags are provided for you. The bags contain information about the neighborhood and the city.

If you are interested, please email D'Nelle Lyons at president@richlandhoa.com. We will be having an information meeting in November.

TRASH BASH

Thank you to all who come out to help keep our neighborhood clean. It is on the Second Saturday of the month, (look for the Trash Bash signs) and pinchers, gloves, and garbage bags are provided for you. It is only one hour each month.

All ages are welcome. We could use a few more people to help with this project where we clean along the walls of Richland Park, Audelia, and Walnut. This is a large area to clean and with more people the entire area could get done each month.

Richland Elementary Principal Bill Gattus

Born and raised in Richardson, Texas, Bill's journey through RISD started more than 30 years ago at Big Springs Elementary, MST, Apollo Junior High, and then graduated from Berkner High School.

After a stint in College Station, attending the incredible Texas A&M University, he returned to RISD as an elementary PE teacher and football coach at Berkner High School. Over the years he has also taught 3rd grade and special education and spent the last four years as an assistant principal.

He and his wife live just a few minutes away from the home he grew up in and his son started school in the district earlier this year. He is part of the RISD family through and through. He takes great pride in his role as the Principal at Richland Elementary, home of the Rockets, where he believes all students will learn and grow.

This is Bill's second year as principal of Richland Elementary and he invites you to come and check out the school and volunteer. There are many volunteer opportunities from reading to students, crossing guards, or helping teachers to name just a few. Remarkable things are happening at Richland Elementary.

FALL HOME TIPS FOR A COZY AND PREPARED SEASON

As the crisp air of fall sets in — Oh wait, we live in Texas and we're just heading into Second Summer. At any rate your home needs a bit of maintenance so it's ready when temps do decide to dip.

As the vibrant colors of fall begin to grace our beautiful Richardson community, it's time to prepare our homes for the cooler months ahead. Here are some essential tips to ensure your home is ready for the season.

1. Check Your Heating System

Before the chilly nights set in, have your heating system inspected and serviced. A well-maintained system runs more efficiently and can save you money on energy bills. Replace filters regularly to ensure optimal performance.

2. Inspect Your Roof and Gutters

Fall is the perfect time to check your roof for any damage that might have occurred over the summer. Clear your gutters of leaves and debris to prevent clogs and water damage. Consider installing gutter guards to make the job easier.

3. Seal Windows and Doors

To keep your home warm and cozy, inspect and seal any gaps

around windows and doors. This will prevent drafts and help maintain a consistent indoor temperature, reducing your heating costs.

4. Clean and Store Outdoor Furniture

As the weather cools, clean and store your outdoor furniture to protect it from the elements. This will help prolong its life and keep it looking great for next spring.

5. Prepare Your Lawn and Garden

Rake leaves regularly to prevent your grass from being smothered. Fall is also a great time to fertilize your lawn, giving it the nutrients it needs to survive the winter and thrive in the spring. Planting

bulbs now will ensure a colorful display next year.

6. Inspect and Clean Your Fireplace

If you have a fireplace, make sure it's clean and in good working order. Hire a professional chimney sweep to remove any buildup and check for potential hazards.

7. Test Smoke and Carbon Monoxide Detectors

With heating systems running, it's crucial to ensure your smoke and carbon monoxide detectors are functioning properly. Replace batteries and test each unit to ensure they are working correctly.

8. Update Your Home Décor

Embrace the fall season by updating your home décor. Add cozy throws, warm-toned cushions, and seasonal decorations to create a welcoming atmosphere.

By taking these steps, you'll not only ensure your home is ready for fall but also enhance its comfort and safety.

If you need help with any of these tasks, contact me for vendor referrals. Enjoy the beautiful fall season here in Richardson.

MAY STORM UPDATES

Storm debris collection was completed ahead of schedule. The May 28th storm was completed at the end of July collecting 4,391 loads totaling 261,468 cubic yards of vegetative debris.

City crews are still working on remaining issues at city parks and facilities, those efforts should be done by the end of August.

Because of all the trees lost the city council launched Richardson Replant to restore trees lost to the severe weather. The goal of the program is to give away 1,000 trees to Richardson residents and to plant 100 trees in Richardson

Parks before the storm’s anniversary on May 28, 2025. The first 500 trees will be given away to residents in the fall at events including:

- **October 1** — National Night Out
- **October 19th-20th** — Huffhines Harvest Fest
- **October 15** — Fall Neighborhood Leadership Workshop

DART SILVER LINE

Dart recently began test runs of the new trains on segment of Silver Line track between Plano and Richardson. Testing allows train operators to check mechanical systems and safety measures. Testing will occur at various times but will avoid evenings and weekends to allow for incoming freight traffic. Dart expects full service to begin in late 2025 or early 2026. The 26-mile

rail service will travel across seven cities with a final connection at the DFW airport.

SHERRILL PARK – GOOD NEWS FOR GOLFERS

Sherrill Park Course 2 renovations are nearing completion. The renovation started in January, and the course is scheduled to reopen on November 1. Renovations included fixing drainage issues, improving the course’s overall playability, aesthetics, and turf.

HUFFHINES HARVEST FEST

The bi-yearly Huffines Fest is scheduled for October 19th and 20th. The two-day outdoor arts and crafts festival will celebrate its 49th anniversary this fall. This Harvest Fest not only includes many vendors but incredible music and food. It is free to attend.

Backyard Grilling, Camping and Travel Tips by Yeni Gutierrez

Hello Neighbors!

Hope you have been enjoying this better weather. During these couple of months many things happen and one of them is to do more activities such as backyard grilling, camping, and/or traveling.

Here are some ideas on how you can pack your bags with products you need without breaking the bank. Camping and traveling can be creative and savvy...

All-Natural Dry Shampoo:

- ½ cup Cornstarch or arrowroot powder for light hair color (if brunette/black hair use ¼ cup of this mix and ¼ cup Cocoa Powder to help keep color)
- 10-12 Drops of your favorite essential oil (On this one, just follow your nose and likes!)

It removes oils from hair and returns texture and volume. You can pre-mix or wait and combine before use.

Make sure oil and powder are mixed and well combined with no clumps. Sprinkle in scalp, and scrub as if it was liquid shampoo.

Shake your hair to release excess.

Body Powder:

Like the recipe above, this will help to feel fresh since showers might be limited during camping.

- ½ cup Cornstarch or arrowroot powder
- 20-22 Drops of your favorite essential oils. My favorite is West Elm which is a combination of Lemon, Vanilla, and Rosemary.

Make sure oils and powder are combined with no clumps, which can be shaken until mixed. Sprinkle on body. Also, you may apply to clean and dry skin after showering and drying.

MENU

Roasted Veggies:

My favorites are root veggies such as potato, beet, parsnips, radishes, sweet potato, and carrots. Choose the favorites from the group. Wash and air dry on counter. Place in cooler and add knife, cutting board, aluminum, and/or a skillet to roast over fire. Add olive oil and condiments of choice such as salt, pepper, cayenne pepper, herbs,

and BBQ sauce. Roast over fire until tender. Keep warm.

Best chicken drums:

Chicken drums are not only affordable but also easy to cook over fire. Take as many pieces per person as you want. Usually, 2-3 per person will be sufficient as an average. Use a separate cooler to transport the meat to avoid cross contamination.

In a container with tight lid mix at least one gallon of water and ¼ cup of Salt can double mix if needed to cover all chicken. Whisk well until salt is completely dissolved. Marinate in water for at least one hour but will be fine longer. This not only prepares your chicken to be tasty and moist but will become a favorite!

At home or at location, pat dry the chicken (it is encouraged to

take gloves, to reduce contamination, and take a bag to keep all discarded contained). Add chicken rub of choice and let it rest for 15 minutes at least. Grill covered for 30 minutes, flip to opposite side, and cook for another 30 minutes. As with all meats, remove from grill and let stand for at least 5-15 min. if the hungry crowd allows it. Serve in a bed of roasted veggies or with salad.

Bread:

Grab a slice of French bread, rolls, brioche, naan, or favorite. Use room temperature butter and apply to one side but you can lightly cover both sides. Set in grill away from direct fire and let it toast to desired texture.

Drinks:

Water with a twist! Cut slices of lemon, cucumber, and mint. Mix at least 2 hours before needed and add sugar to taste, if desired.

Gardening Tips by Yeni Gutierrez

In the garden... Fall is here! It is time to clean the beds and pots.

What to compost and what not to:

Do not compost sick plants. Also, remove Cucumber, Squash and Zucchini plants since invasive bugs that are attracted to these plants stay and live inside the plant's stem. Tomatoes, when dried produce some powdery substance and is best to remove as soon as all tomatoes have been removed. Use a mask for this task and gloves as there is a dark powder in the branches and leaves that can stain hands. Everything else can be composted including weeds without seeds.

To turn my soil or not:

Try not to disturb the soil, because it has created a huge ecosystem community. When removing the non-infected plants to compost, cut at the root and leave it there to compost in the soil; then the rest of the plant can be composted separately. Do not destroy that amazing community that lives on the ground. It will conserve the soil as the roots decompose and will feed the soil during the winter.

What to plant for Fall and Winter:

- Plant garlic
- Green onions
- Green beans
- Peas
- Brassicas (Cabbage, cauliflower, broccoli, Brussels sprouts)
- Root plants (radishes, potatoes, carrots, turnips, beets)
- Cilantro
- Parsley
- Fenugreek
- Greens (kale, lettuce, spinach, Swiss chard, mustard greens)

Be ready to cover your crop with a 4mm plastic or best in 6mm in case we get an earlier cold front.

When to amend my soil:

Wait until early Spring to amend the soil, usually no more than 1 month before planting season. Late February or early March is good.

Richland Neighborhood Association

2024 Neighborhood Registry

Dear Neighbors:

Please fill out the RNA 2024 registry form and include your dues for 2024. The RNA board uses your funds for a variety of activities for the neighborhood and for the beautification and security of the neighborhood. If you rent or own your home you receive the same services. We encourage renters to become involved in the neighborhood.

This year we are planning to produce a Neighborhood Directory. The information received is **NEVER** shared with outside parties — it's just for neighbors and the neighborhood. Please provide your name and address, and a telephone number. If you do not wish to have your telephone number published in the directory please indicate on the form. The directory is only successful if we receive updated information from every household. Each paid member will receive a directory.

The entire neighborhood is protected by our prize-winning Crime Watch Patrol made possible by trained neighborhood volunteers and supported by the RNA. Please help them be as effective and efficient as possible by providing your *Crime Watch Patrol* only contact telephone information, which will always be completely private and secure and used only by Crime Watch and only in an emergency (such as if your doors were left open, your property is flooding or on fire, prowlers, etc.).

Membership Dues are \$50 (\$45 if paid before April 1st, 10% Discount),
starting on January 1st through December 31st, 2024.

Dues may be paid by mail or through PayPal at www.richlandhoa.com/Site/rha-membership/

Our members and volunteers sponsor many neighborhood-enhancing programs:

- **Beautification**

CRIME WATCH
VOLUNTEERS NEEDED

The Richland Park/Oaks Crime Watch needs more volunteers to help patrol our neighborhood. In order to join the Crime Watch Patrol, you will need to fill out an application form.

A link to the application and additional information can be found on the City Website, cor.net.

Each shift usually consists of 1 ½ hours of patrol time every other week.

Crime Watch Patrols are effective because our cars, with their reflective signs, provide visibility and the criminals do not want to get caught.
