4th of July RNA Flags Event

We will once again be sponsoring the flags for the 4th of July on the Saturday *before* the 4th, which is July 1st this year. All are welcome to come and help and then enjoy breakfast after putting the flags out.

It is always a wonderful morning to get out and put the flags throughout the neighborhood and then enjoy breakfast and visit with neighbors.

If you have participated in the past, we thank you and hope you will be able to join us again this year. If you have not participated in the past come join us and be a part of this wonderful tradition.

Pick up flags on Saturday, July 1 at 8:00 a.m. at 523 Stillmeadow, and then come back to enjoy breakfast. An email will be sent to all who have helped in the past couple of years. If you do not receive an email and want to join me, please email D’Nelle at president@richlandhoa.com.

Curb Painting

The city of Richardson is once again checking the neighborhoods to make sure every home has the address on the curb in front of their home for use during an emergency. It is much quicker checking the addresses on the curb than trying to find the number on a home, which are places at a variety of locations. The Richland Neighborhood Association

board voted to provide this service to all in the neighborhood to keep everyone in compliance. When each person commissions someone to paint the number, it can be quite expensive. Therefore, due to the number of addresses we are having painted, we got a good deal. This is one of several services the association provides for the neighborhood. We could provide more services if we had more people join the association. We only have about 40% of the neighborhood who have joined so far this year. If you have joined thank you, if not please consider using the form (page13) in this newsletter to join.

President's Message

Richland Neighborhood Association
Richland Park and Richland Oaks Community

DEAR NEIGHBORS,

We have had our few days of spring and now summer is upon us. What I love most about this time of year is seeing neighbors emerging from their homes to take more walks, work on their yards, plant flowers and visit with neighbors. It seems like everything comes alive when the weather warms up.

Your Richland Neighborhood Association has been hard at work for the neighborhood. We had a very successful spring event, with around 250 people attending. If you are a member of the association, you were able to attend for free. If you were not a member, there was a fee to attend. But what a bargain for all the activities that were available. The following week we sponsored a shredding event. It was very busy during the four hours the shredding truck was there with people coming as far as downtown Dallas. There was no charge for shredding, but donations were welcome. We, along with volunteers have been working on the landscaping at the six entrances to the neighborhood, and the curb house numbers are being painted throughout the neighborhood. The Yard Award committee has been busy picking five yards to be recipients of the Spring Yard Awards. We will have our 4th of July flag placement and breakfast on July 1st. All these services have been provided to you by a very dedicated and busy Richland Neighborhood Association.

If you have joined the association, we thank you! If not, it is not too late. There is a form in the newsletter on page 13 for you to join.

Thank you to Entrance Landscapers

As most of you know landscaping can be very expensive. We needed to enhance our entrances this year, and because of the six entrances we have this can be an expensive venture. If everyone does a little, then no one has to do a lot. We asked neighbors to volunteer to sponsor an entrance, with the association buying the plants and the volunteers doing the planting.

We want to thank all who have stepped up to volunteer.

Crime Watch Report

Richland Neighborhood Association
Richland Park and Richland Oaks Community

Bob McClure, Head of our Neighborhood Crime Watch, wanted to share with you a scam he learned about from one of our neighbors. It sounds like the neighbor did the right thing by asking more questions, and wanting to verify before taking action.

RNA Neighbor: Scam Alert...

"I received a phone call that was very believable. He said he was a police officer with the Richardson Police and that I had two warrants due to failure to appear for jury duty. He gave all the right answers and said in order to fix it I had to appear in front of a judge for a Zoom call. Much of what he said seemed true (much longer than what I am saying here).

But when he said I needed to pay a fine for each warrant before talking to the judge and then I would get a code for a refund, my alert bells went off. Then the fact that he said it was \$2500 for each and that he was going to transfer me to the Treasury Department (not the Richardson Court) I told him I was going to call the court to check it out before doing anything. He told me I couldn't do that. I hung up.

I talked to the Police Department, and learned this is a current scam that's going around. So please beware. These people say all the right things and make you really believe what they are saying. Thank goodness I didn't give him any personal information, other than he already had my name and address."

Stay safe,
Bob McClure

CRIME WATCH VOLUNTEERS NEEDED

The Richland Park/Oaks Crime Watch needs more volunteers to help patrol our neighborhood. We have fairly good coverage during the daytime, but are in need of help for nighttime. Unfortunately, late night is when we experience most of our problems. Therefore, we need more volunteers at night, every day of the week. This is a great way to get out, meet new people, learn new things and experience something different in life.

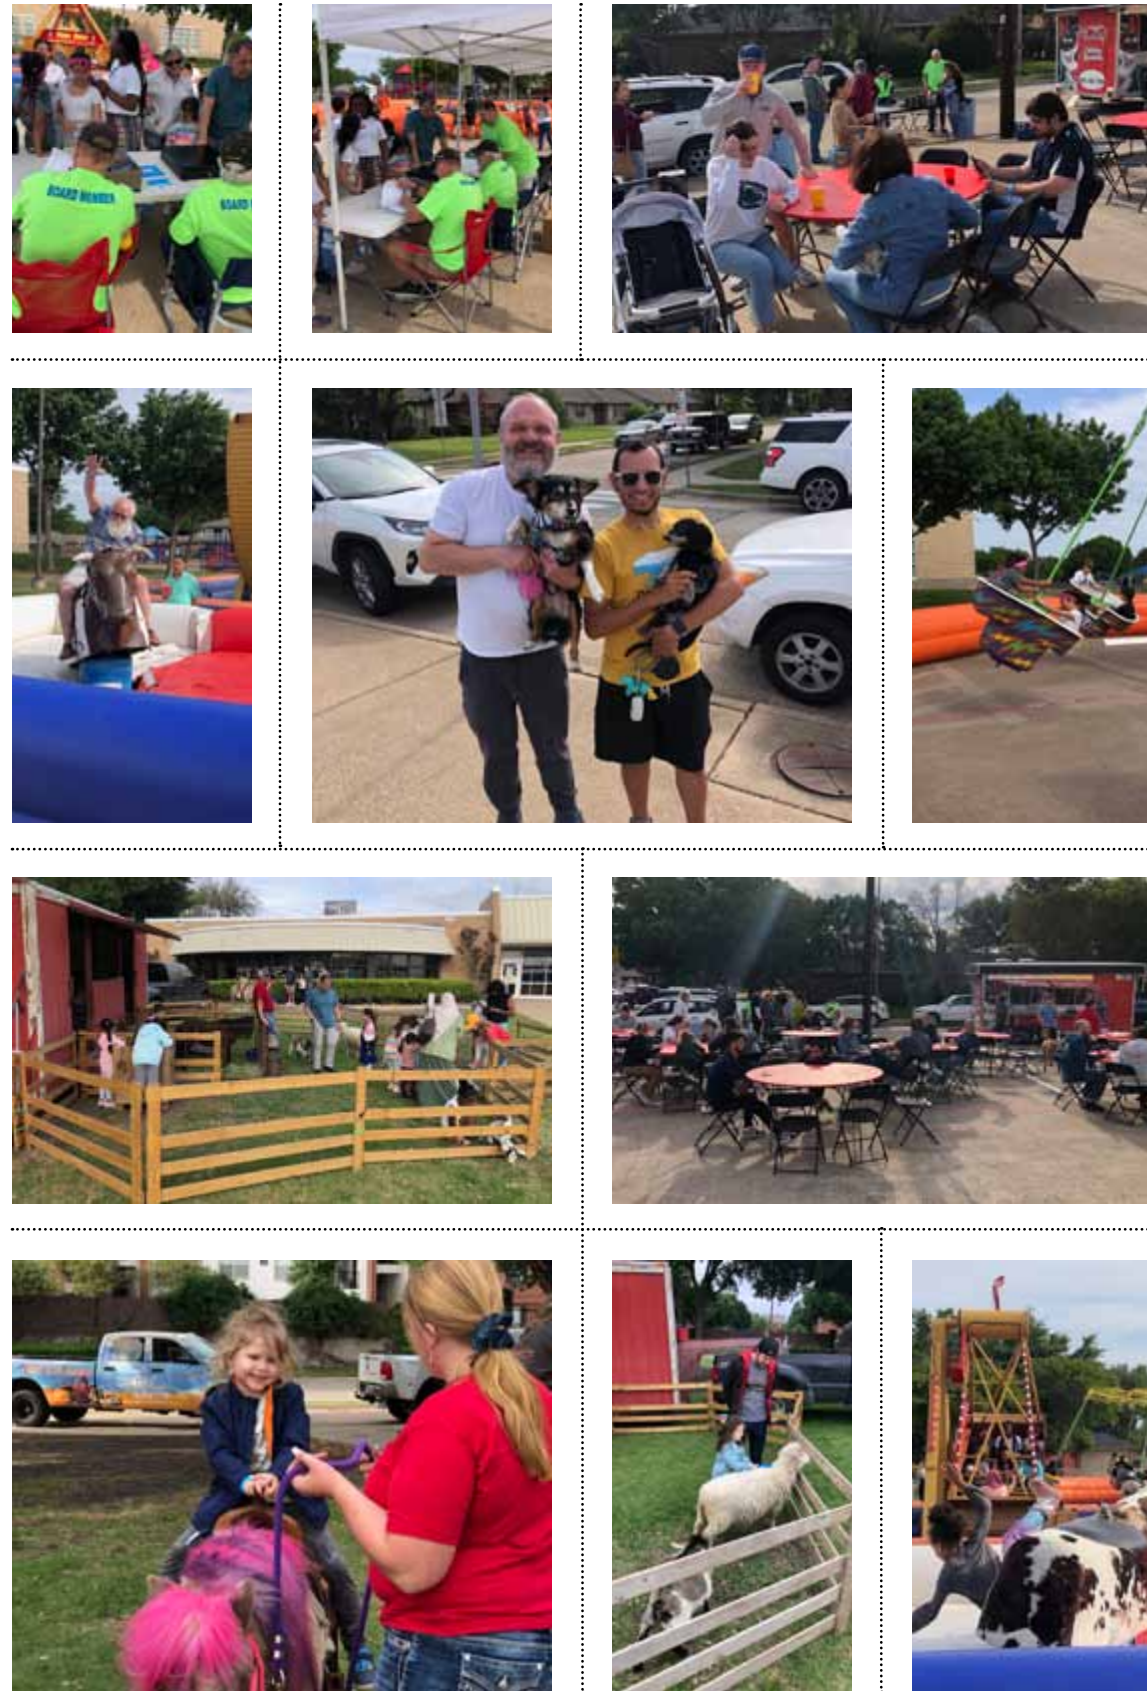

In order to join the Crime Watch Patrol, you will need to fill out an *application form* which we submit to the Richardson Police Department. The police will run a criminal background check on each applicant. Once all the paperwork has been cleared, the applicant will receive about six hours of training. All new applicants will also be assigned a patrol partner.

Crime Watch Patrols are extremely effective because criminals do not want to get caught by anyone, police or otherwise. So when you put those reflective signs on your cars and patrol the neighborhood, the bad guys tend to go some place else. The problem is we need to maintain these patrols at all hours in order to keep crime away.

Each shift usually consists of one and half hours of patrol time every other week (total of 3 hours per month.) The two shifts where we need the most help are evenings (7 p.m. to midnight) and deep nights (midnight to 6:00 a.m.).

RNA Spring Fling! 2023

On April 22, 2023, the Richland Neighborhood Association sponsored the annual *Spring Fling!* complete with carnival rides, drinks, vendors, music, food and fun! The weather was beautiful and it was a great way to spend an evening with neighbors, family and friends.

RNA Paper Shred Event

The RNA Paper Shred Event held on April 29th was a hit! The 4-ton truck was nearly full at the end of the day. Thank you, RNA for lining up a shred truck for half a day to privately and securely handle the shredding of neighbors' papers.

This is just another example of your RNA funds being put to good use. The event was a success, and since the word was spread to your friends and family, there was a generous donation made by some folks dropping by. This helped to offset the costs and was much appreciated.

The shred truck has an electronic screen on the outside so you can watch your papers being shredded right on the spot. And thank you to our RNA board members who helped unload the papers and oversee the event – D’Nelle Lyons, Bob McClure, David Kirkland, Jerry Walker, Barry Propes and some others who dropped by.

We were even visited by long-time serving RNA board member, Curtis Dorian, who at the time was soon to be our new Place 1 City Council Member.

Gardening Tips for Garden Fixes

Contributed by Yeni Gutierrez

Gardens are blooming! It has been wonderful to hear how many of our neighbors have taken, expanded or about to take a new interest in gardening. From flower or decorative gardens to full “victory” (food) gardens! We also have so many levels of expertise in our neighborhood and love the way we have helped each other and shared resources to better our community. Here are the basics on how to improve the health of our plants (list of most common):

Fall Crops: Remember, the end of July and August are the best months to start fall crops; and the sooner, the better! As we only have about 3-4 months to harvest in the fall.

What to plant? Potatoes, any root vegetable (beets, carrots, turnips, radishes, parsnips), garlic and onions, green beans and any other bean, herbs like cilantro, parsley, fenugreek, most herbs can also be planted, greens such as kale, chards, spinach, lettuce, mustard greens, our loved brassicas broccoli, cabbage, and cauliflower, pumpkins and squashes, etc.

Missing	What to look for?	How to fix it
Magnesium	<ul style="list-style-type: none"> Leaves turn yellow. Leaf veins are green. Growth has halted. 	Dolomitic lime and Epsom salts. Seen a lot in tomatoes! Apply 1 Tbsp. of Epsom salts directly to plant when planting and every 90 days for the life of the plant.
Nitrogen	<ul style="list-style-type: none"> Leaves are yellow. Plant becomes a lighter green. Growth is halted 	Alfalfa meal, blood meal, fish emulsion or meal. If you have fish or sea food - blend the shell and bones. Apply smoothy to plant. To avoid critters, make a hole apply and cover.
Potassium	<ul style="list-style-type: none"> Tips of leaves become yellow. Tips then turn brown. Stems become weak. 	Granite meal, greensand, Sul-Po-Mag, wood ashes. The best way to recycle your banana peels – blend, apply to plant and cover.
Zinc	<ul style="list-style-type: none"> Leaves become yellow. Leaf veins are green. Growth has halted. Leaves get thicker. 	Chelated zinc spray, kelp extract or meal. As a preventive tip, try planting garlic, legumes, squash, peas, pumpkins, spinach. Can also add oyster shell powder (1-2 tsp form Feed Store in their chicken feed dept.)

To keep your veggies for a longer time wash and blanch/cook, freeze, dehydrate, can, or ferment.

Famous Taco “Faux” Guacamole Salsa

Presented by Yeni Gutierrez

Ever wondered why the “guacamole” salsa at restaurants never turn dark? Well, the reason is that even though it taste like guacamole, it is not. This salsa was created to keep costs down and is used in restaurants as guacamole salsa. It is the best kept secret in the Mexican Cuisine, being equally good and delicious.

Ingredients:

- 3 cups of hot water
- 1 Zucchini (light green) sliced ½ in.
- 4 peeled tomatillos (discard husk)
- 4 tbsp of olive oil
- 2 jalapeños, sliced
- 1 small white or yellow onion, sliced
- 2 cloves of garlic
- 1 bunch of cilantro, cut in chunks
- Salt to taste
- 1 lime (optional directly to food on salsa)

1. In a pan add water and zucchini and heat for about 1-2 minutes on medium high. Add tomatillos and cook together for 3-5 minutes or until tomatillos change color to a pale green. Do not let them burst because it can become acidic. Remove from heat, discard water and only place zucchini and tomatillo into blender.
2. Sauté in oil the onion, jalapeños, and at the end add the garlic. Do this for about 2 minutes, but do not let them burn. Remove from stove, cool down a few minutes and add all to blender including oil.
3. Add cilantro and salt to blender (start with increments of ½ tsp of salt until desired taste) and blend until emulsified (silky creamy). Let it cool or you can use hot. It will keep in refrigerator for 3-5 days.

Leftovers can be used for meats, vegetables, rice, eggs, quesadillas, soups, etc.

Congratulations 2023 Graduates!

It’s that time of year again, so please tell us about your special graduate, include a picture, and send information to News@RichlandHOA.Com, and to start us off, here’s Alex:

Alexandra (Alex) Propes graduated from Richardson High School and will be going to the University of Kansas in the fall.

What’s Going On with My Lawn?! Your yard look like this recently?

Please share with us any tips or information you discovered while trying to fix your yard. Several neighbors talked about getting yard samples from an agricultural center or getting a professional out to diagnose the unsightly grass. If you would like to help others by sharing what worked for you, we would love to hear and share your story in the next newsletter. Please send it to News@richlandhoa.com.

Trash Bash

The RNA could use more people to participate in our monthly trash bash on the second Saturday of the month at 9:00 a.m. We meet at the park on the Lois Lane side to pick up the trash bags, grabbers for the trash and your assignment. It will only take about an hour of your time to help keep the wall around our neighborhood clean and trash free. It is also a good way to meet your neighbors. Look for the signs in the neighborhood one week before the trash clean-up and just show up; no need to RSVP.

Draining the Pool

Please do not drain your pool water into the alley, gutter or street. It is illegal. When draining large amounts of pool water use the home's sewer clean-out riser for a properly flowing sewer lateral. Locate your sewer clean-out – a threaded, usually black cap about 3 or 4 inches in diameter.

If you cannot find the clean-out consult a plumber. You may need to have one installed. The City of Richardson code of ordinances (RCO), specifically prohibits the discharge of filter backwash water (such as from your pool) into the storm drain system.

Remember, we want to prevent water pollution and protect the watershed we live in.

Watch where you step...

The weather is getting warmer which brings more people out walking their dogs. It's nice to see the four-legged fur babies and their owners enjoying their outing. Most dog owners are responsible, and the neighborhood thanks you for picking up after your dog.

However, it appears that not everyone is cleaning up after their dog has deposited a pile in someone's yard. Please be mindful of your neighbors. It is the responsibility of the dog owner to pick up the poop.

Also, please do not throw your poop bags in the recycled bags of grass clippings and tree limbs that are on the curb for pick up. The plastic bags and poop contaminate the clippings. If you walk around the park there are receptacles or take it home to put in your trash.

Remember, the park provides poop bags, if needed. Thank you for keeping our neighborhood looking beautiful!

Thank you to Yard Award Committee

We had several neighbors volunteer to be a part of our beautification yard award committee to pick yards in the neighborhood for awards. We will be presenting yard awards on May 20th and September 15th.

We may do one more summer award series because it was hard to pick only five among all incredible yards in the neighborhood. Halloween yard awards will be revealed on October 20th, so get those Halloween decorations out for the judges to see by October 15th.

Christmas yard awards will take place December 15th. The judges this year are:

Spring – May 15

- Christine Newton
- Gary Kindley

Fall – September 15

- Taylor Nguyen
- Christine Newton

Halloween – October 25

- Jules Spencer
- Michael Spencer

Christmas – December 15

- Megan Fuentes
- Jules Kinney
- Michael Spencer

Thank you to these neighbors for stepping up to judge the yards.

Citizen Fire Academy

I just completed this wonderful program and highly recommend it. It gives you a view of the inner workings of the fire department. During the program you may sign up to spend up to two days at one of the six Richardson fire stations and ride out with the firefighters on their calls.

I spent two days of ride outs, experiencing a drug-user overdose, two car fires, a house fire, and helping an elderly man back onto his scooter. All the incidents were handled with such care and professionalism.

I experienced eating meals with the firemen and asked many questions about their career. I spent a couple of informative days at the fire station with some amazing, dedicated professionals.

Also, during the program I had the opportunity to climb the firetruck ladder during the program – 80 feet up! For someone who is afraid of heights, it was incredible.

We handled the fire hose, which is harder than it looks, and took apart a car with the “jaws of life”, and so much more. I learned so much during these 10 weeks, which went very fast.

I'm glad I applied and was selected to be a part of this program. The applications become available in January, if you would like to apply. I would be glad to answer any questions you have about the program.

City of Richardson Information

Richardson 150 Anniversary

The City of Richardson is celebrating its 150th anniversary with a June 24 party in downtown Richardson. The event will feature live music on two stages, games, a children's area and the revealing of the city of Richardson 1973 time capsule that was buried outside the library for the City's 100 anniversary.

There will be games and Activities for all ages! Face Painting, Yard Darts, Jenga, Wacky Rush Turbo Slide, Wacky Rush Obstacle Course, Touch-A-Truck and more! Sweet treats from Tongue in Cheek and Tikiz Shaved Ice & Ice Cream and various food vendors!

Library and City Hall

The bond passed for replacing the City Hall that had fire damage earlier this year. The library bond remodel was approved at an earlier election.

Because of the fire at the city hall the remodel was put on hold until the outcome of the city hall bond election. The city employees have been housed at several location through the city with little interruption of city services. It will be 3-4 years for the completion of a new city hall and the remodeling of the library to be completed and be move in ready.

The city has signed a 3 1/2-year lease for a building at the corner of Plano and Greenville,

(2360 Campbell Creek Blvd) to house the library and the city employees. The city has done an amazing job of keeping all the departments functioning despite the difficulty of the varied work spaces. The move will be completed sometime in the fall.

Richardson Summer Aquatics Programs

Wonderful news, all the Richardson pools are fully staffed this summer. The city has worked very hard to make this happen. The pools are Heights Family Aquatic Center, Canyon Creek, Cottonwood, Glenville, and Terrace. Last year the city wanted to make sure all neighborhood pools, which were used primary by Richardson residents, were open. The Aquatic center had limited days depending on the availability of life guards. Heights Family Aquatic Center and neighborhood pools will officially open on June 3. Check times and day closures on the city web site.

We Read Together

We Read Together is Richardson ISD's volunteer initiative to champion early literacy skills for students. Students who enter school lacking reading readiness or who don't read at grade level need additional interventions and resources to catch up to their peers. We know community volunteers and mentors play a pivotal role in advancing literacy skills, helping more students learn how to read, write, and play. Exposing children to early literacy skills, reading, and language early in life will help children throughout life. Not only does it help them become strong readers, but early literacy skills help children be more prepared for school and develop other important skills that will help them in different ways.

Mission:

The mission of We Read Together is to ensure literacy success for all!

We Read Together objectives:

- Equip students with literacy skills for school and life.
- Empower parents with literacy skills to assist their student at home and school.
- Engage in partnerships with the school community to create reading spaces and celebrate literacy.
- Ensure ALL students will be reading on grade level by third grade.

This program was offered at Richland Elementary this year and will be offered again next year. It involves reading to a student for 30 minutes once a

week. Forms to sign up will be available later this summer. To find the information to sign up go to the RISD web site, click under departments at the top of the page and scroll down to We Read Together and click. There is volunteer information and forms available at the bottom of the page. All volunteers will have a background check before they are allowed to work with the children.

Another Time and Place update

If you have driven by Another Time and Place restaurant at the corner of Buckingham and Abrams you will have seen all the improvements that have happened. Two new patios were put in, improved landscaping, along with updating the façade of the building.

What you cannot see from the street is all the improvements that have been made inside. It is beautiful and will be a great addition to our neighborhood.

The owner is waiting for the new tables to be delivered so they can complete the interior, hoping to open by the end of June.
